

## Universal Relay PO-230 230V

Range: Refrigeration  
Machine type: Different Machines  
Product type: Relay  
Product subtype: Compressor Start-up Relay  
Brand: Supco Original

### Technical data

Model: PO-230  
Compressor Model: 1/12 a 1/2 HP  
Voltage: 230 V  
Dimensions (LxWxh): 28/32x37x13/18 mm

### Extra data

Power: from 1/12 to 1/2 HP  
Mounting: Push on

For refrigeration systems without run capacitors  
PO Series, installas on compressors with "Pin Type" terminals  
Fastest cool down time of any solid state relays  
Can be used with ot without start capacitor
